

# How would you like...

The benefits of a personal trainer at an affordable price?

A personalized workout customized to your needs?

No membership fees, no dues, no clubs to join?

**Sedona Private Fitness has the solution.**

## “The Where Ever Work-out”

Take it to your house, the park, your gym or on vacation — Where Ever!

A one-time fee of \$135.00 gives you 2 one-hour sessions at our private studio with one of our expert Trainers.

Your first session will consist of a full fitness and equipment evaluation.

In your second session we will go over the results of your evaluation and guide you through your first “Where Ever Work-out” customized for you.

You just purchase your customized work out and the rest is up to you.
